CV ACHIEVEMENT BULLETS

Site Engineer, Al-Bina Contracting, Ramallah

2020 – 2026

- Supervised daily site work on two residential buildings (48 apartments) and a three-storey school, handed over three weeks ahead of schedule
- Coordinated nine subcontractors through a weekly look-ahead plan, keeping the school’s critical path on time through two supply delays
- Prepared quantity take-offs for six tenders, four of which the company won
- Reduced concrete waste from about 8% to 3% by ordering each pour against a shared site log
- Led toolbox talks and inspections that kept the site at 1,100 days without a lost-time injury
- Closed 120 requests for information with the consultant through a tracked weekly meeting
