Acceptance of scholarship ISS-2026-0457, Karwan Aziz

Dear Ms Ferri,

Thank you for your email of 8 May and for the scholarship for the MSc in Data Science and Engineering. I am very glad to accept it.

With the tuition waiver I can study full-time instead of working alongside my courses, and that matters a great deal to me. Please pass my thanks to the committee.

I will return the signed acceptance form by 20 May. Could you also tell me when the first instalment of the grant is paid, and whether I need an Italian bank account before then? I arrive in September and would like to open one early if so.

Kind regards,

Karwan Aziz
