Hi everyone,

My uncle Samir’s family, five people, lost their home in Khan Younis and have been living in one rented room. I’m raising money for six months’ rent, carpentry tools so he can work again, and a laptop for my cousin’s nursing studies.

We’ve raised $4,860 of $7,500 so far. If you can give, or simply forward this, thank you: https://example.org/help-the-nasser-family
